

OverDrive READ eBook Method

OverDrive READ:

- **Advantage:** Easy way to get an eBook and start reading immediately. No software or registration required.

YOU WILL NEED

- A device with a modern web browser: iPad iOS 6 or higher (**not iPad 1***), Nook Color, Kindle Fire, Windows or Mac computer, etc.
- Internet connection
- Bloomfield Township Public Library card

WORKS WITH

- OverDrive eBooks which are offered in OverDrive READ format (almost all).

SETUP

- **Open** your internet browser and go to www.ebtpl.org.

BROWSE

- **Sign in** with library card number and name before searching.
- **Explore Menu** and *Search* options.

CHECKOUT

- **Tap** an available eBook cover to select a title. Available eBooks have a black book icon upper right.
- **Tap Borrow.**
- Your MetroNet *Account Bookshelf* opens with your eBook displayed.
- **Tap Read (in your browser), not Download.**

READ

- Your eBook opens. **Click** or **tap** “Start reading your book.”
- Turn pages by swiping right to left on touch screens or clicking right side of page.
- Open the Read menu on larger screens by **clicking** the Menu tab at the top of your screen.
- On smaller devices **tap** middle of the screen to reveal menu icon. **Tap** the icon.
- Options are text size, font style, download, etc.
- **Tap** cloud icon to download your eBook. Instructions are given.
- Or to keep reading in your browser, be sure to **bookmark** the URL of the book before closing it. *Your eBook will not require an internet connection.* It is saved in your browser’s cache.
- **Return** to your eBook through your browser’s bookmarks. Create a desktop shortcut if desired.
